Good Evening PPPCS Families,

Today is day two of our daily check-ins! We hope everyone is doing well and staying healthy! We were so happy to see so many of our families come out to PPPCS today and pick up their student’s work packets. If you have not yet done so, please make sure to stop by tomorrow, Wednesday 3/18, or Thursday 3/19 between 10AM and 3PM – Dr. Kramer will be waiting for you!

- If you would prefer to download the work packets digitally, they are also available on the school’s website. Please use the following link to access: https://www.pppcs.org/daily-learning-boards

MEALS: Once again, we want to share the different sites around the city that are providing meals this week. There are 10 Baltimore City Public Schools that are serving grab-and-go breakfast and lunch, from 10AM to 2PM. The closest locations to PPPCS are John Ruhrach Elementary/Middle School (701 Rappolla Street) and Dunbar High School (1400 Orleans Street). For a complete list, please see the attached list or school website.

Baltimore City Parks and Recreation, including the Virginia Baker Rec., is also serving a snack and dinner for Baltimore City students. Students can pick up a snack from 2-5PM, and dinner from 5-7PM. The complete list of locations is also attached.

If your student needs to travel to and from one of these sites to receive a meal, their MTA Bus Pass, issued to them by the school will continue to work while schools are closed (the amount of rides is limited) – Please see the City Schools’ website to verify details.

COMMUNICATION: Over the next couple of days, ALL families will be receiving a call from a PPPCS staff member, whether it is from an Admin team member or your student’s teacher. These calls will serve as a check-in on our families’ well-being, to offer additional support, and to verify that the school has the most up-to-date contact information. As ParentSquare will be our preferred method for future communications, we cannot emphasize enough how important it is that ALL our families their account set up and working.

If you need help downloading, setting up, or updating contact information please call or text 443-686-9718 between the hours of 10AM and 3PM; you can also email frontoffice@pppcs.org

Sincerely,

Charles Kramer
Principal
